

GRIDIRON™

Custom Tool Storage™

With the GRIDIRON system you can customize your tool storage to fit the way you work. Set it up to load from the right or left, accept a straight or curved shaft, or add a blower or water cooler rack. The rugged aluminum T-slot posts and bolt-on tool holders allow you to buy just what you want and place it where you want. You will never outgrow the GRIDIRON system since you can add individual storage components as your business grows. All hardware is provided to install on trucks or open or enclosed trailers.
